How Does the Wedding Package Work?

At Royle Forest we like to keep it simple.

The venue pricing includes the total venue set-up for the wedding day, that comprises of all the details noted in the above 'What is Included?'.

At Royle Forest we like to make it bespoke.

Separate to the venue pricing is the drinks package.

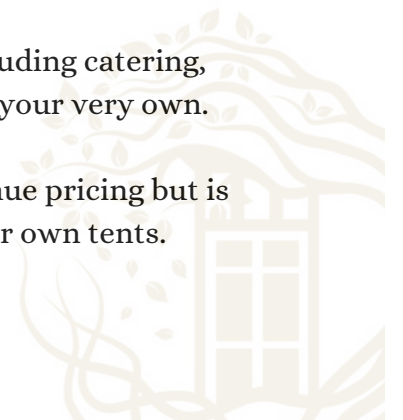

We tailor each drinks package to the exact requirements and wishes of the couple. There are no rules on what drinks you need to have, instead we listen to your preferences and create a package that suits your budget.

At Royle Forest we like to keep it flexible.

Once the date is booked, couples then choose their type of ceremony. Whether that be a civil ceremony which couples book directly with South Derbyshire District Council or they choose a Celebrant or similar to deliver a beautiful service.

Couples can then discover all of the amazing suppliers in the industry to book for the remaining key areas including catering, photography, entertainment & decoration. Feel free to try the suppliers from our recommended list or to find your very own.

Finally, let us know if you would like to book the on-site accommodation. The accommodation is separate to venue pricing but is completely optional. Or feel free to utilise the camping area by booking a glamping supplier or bringing your own tents.

Royle Forest Weddings

Pricing made easy

At Royle Forest we redefine pricing in the wedding industry to give you peace of mind and clarity from the very beginning.

While traditional wedding venues often attract couples with lower initial prices that gradually rise as decorations and furniture are added, we take a transparent approach by showcasing our end price upfront.

Our pricing reflects the best tipi setup you can possibly find, including all the essential elements you need for a stunning celebration such as furniture, decorations, and more so there are no surprises along the way.

With Royle Forest you can plan your dream wedding with confidence, knowing exactly what your investment entails for an unforgettable experience!

Styled Sundays

Sunday weddings at Royle Forest are slightly different to the rest of the week.

Due to increased demand, we are pleased to announce the availability of Sunday weddings at Royle Forest.

Please note that owing to our Saturday wedding schedule, Sundays have specific setup guidelines that differ from those on other days of the week. Below, we have outlined below the key details regarding Sunday bookings.

- Due to the venue set-up restrictions, there is no access to the venue ahead of the wedding day and so all venue styling & floristry must be done by Royle Forest in-house services.
- All other suppliers are as normal.
- Anything extra you would like setting up at the venue would be dropped off and stored by us a week prior to the day for us to setup.
- Ceremony time is limited to 2pm or later, guests can arrive from 1pm onwards.
- The accommodation can be enjoyed on the Sunday night only. Please refer to the accommodation brochure.

Ceremony Chapel

Nestled in the heart of the forest, our enchanting ceremony area features an idyllic stone chapel embraced by nature's beauty.

We are proud to be licensed for legal ceremonies. For a more personalised experience, you can opt for a unique ceremony with a celebrant or other alternatives—it's entirely up to you!

With seating for up to 160 guests on our original 200-year-old oak pews, this charming ceremony space is truly one-of-a-kind. Plus, the entire area is under cover, ensuring that you and your guests remain dry, regardless of the weather.

We also provide a PA system and access to power for your suppliers, whether you choose a harpist, singer, or other musicians to enhance your special day.

The Tipis

Our tipis and courtyard are adorned with luxury handmade furnishings of the highest quality.

Every package includes all furniture, fire pits, tables and seating, lighting, sound systems, and structural elements, ensuring a complete and elegant setup for your celebration.

You are more than welcome to enhance the space with additional decorations of your choice, whether you prefer to do it yourself, with Royle Forest in-house services or collaborate with different suppliers.

Additionally, we have a spacious lawn area behind the tipi, perfect for adding fun extras like garden games or bouncy castles, which you can either provide yourself or arrange through a supplier.

The Forest Bar

Adjacent to the dance floor, our stunning curved brass bar, known as the Forest Bar, is sure to catch your eye.

We provide all dedicated staff, along with all necessary glassware and equipment. Choose which custom cocktails you would like to be made by the team for your special day.

While we do not permit corkage, our drink prices are very reasonable what we call “pub prices” and we are happy to collaborate with you to create a bespoke package that suits your budget.

At Royle Forest, we pride ourselves on sourcing locally whenever possible. We’ve partnered with Thornbridge Brewery, based in Derbyshire, to provide our on-tap beers.

As part of your package, you’ll even have the opportunity to visit the brewery, sample various beers, and select your favorite to serve at the bar for your guests.

Forest Bar

The Silo Bar

Nestled in the heart of our vibrant street food courtyard, the newly transformed Silo Bar is a one-of-a-kind experience.

Perfect for enjoying a cocktail or a frozen margarita, especially on a sunny day, this outside bar brings a lively buzz to the atmosphere, particularly as evening falls.

With two bars on-site, we ensure quick and efficient service, so you can keep enjoying your favorite drinks without missing a beat.

Whether you are unwinding with friends or celebrating the moment, our Silo Bar is the place to be.

Catering

At Royle Forest, we pride ourselves on offering bespoke and flexible services tailored to our couples' needs.

Instead of an in-house catering service, you have the freedom to choose any style of catering for your Wedding Breakfast and/or Evening Food, whether it's a formal sit-down meal, a casual street-food setup, or something entirely unique.

We provide a list of recommended catering suppliers, but you are welcome to bring in your preferred professional caterer as well. A catering tent is available for your chosen supplier, and they can also set up in our vibrant street-food courtyard with food trucks or their own gazebo-style arrangement.

Your wedding, your food the way you want it.

Dance the Night Away

The celebration is the grand finale of your wedding day, and we believe it deserves careful consideration. That's why we've invested in a spectacular setup designed to get your guests dancing and create unforgettable memories!

For the first time ever in tipis, our stunning large 3D infinity dance floor will add an exciting 'WOW factor' that your guests will love, complemented by a giant golden disco ball hanging overhead.

To enhance your experience, we offer a professional sound system surrounding the dance floor, along with a dedicated microphone relay for speeches.

Whether you choose a DJ, a live band, or other entertainment, there are ample access points throughout the venue for power supply.

We allow live music until 11 PM and recorded music or a DJ until midnight, ensuring the party continues to flow into the night!

Toilets

Our brand-new luxury toilet facilities set us apart from any other tipi venue, offering an unrivaled level of comfort and convenience.

With six beautifully designed restrooms, including a fully equipped disabled facility, we ensure that every guest enjoys a premium experience.

Take a moment to unwind in our private pamper room, a beautifully designed space where you can refresh, recharge, and take a moment to relax amidst the celebrations.

Featuring stylish décor, soft mood lighting, and impeccable cleanliness, our facilities combine elegance with practicality.

From the smallest details to the highest standards, we provide the perfect finishing touch to your special day—because no detail should be overlooked.

Camping

Conveniently located across from the venue car park, the campsite is easily reachable by foot.

Spanning approximately 2 acres, there is plenty of space for campervans, tents, and glamping tents to accommodate all your guests.

Couples and their guests have the option to bring their own camping gear or may choose to hire a supplier to create a glamping village.

A water point is available on-site; however, couples are required to arrange portable toilets if guests are staying overnight. You are welcome to provide showers as well, but please note depending on if you choose a shower trailer or portable showers you may need to arrange power for this through a generator.

Guests can enjoy access to the camping area starting from 5 PM the day before the wedding until 11 AM the following day.

On-Site Accommodation

The on-site accommodation features three charming bedrooms in “The Farmhouse” and a cozy one-bedroom cottage called “The Bear’s Lair” that comes complete with a dressing room, collectively sleeping up to eight guests per night.

Both the house and the cottage are conveniently located next to each other, nestled within 4 acres of beautifully landscaped gardens for your enjoyment. Just a short 10-minute walk or a quick drive from the venue, you will have easy access to your celebrations.

You and a select few can arrive the night before to kick-start the festivities with access to the hot tub and fire pits. Feel free to utilise the kitchen facilities in the cottage, or venture out to one of the local pubs or restaurants for dinner.

We can accommodate room changes if different guests are staying on the night of the wedding.

Please note that the on-site accommodation is an optional extra and is not included in the venue package.

If you wish to reserve this accommodation, please confirm your request six months prior to your wedding day.
