# DRESSWEAR

# DRESSWEAR AT ROYLE FOREST

## WHAT TO WEAR

Royle Forest is not your typical outdoor wedding venue! Although we are in the middle of the forest, all our facilities are of the highest standard.

This means

- Hard paths throughout (all designed to be heel-worthy!)
- Royle Forest umbrellas for guests to use if rain is forecast
- Covered areas across the venue

## TEMPERATURE

Our season runs from April to October, so the temperature outside is agreeable at every wedding but we are based in the UK.

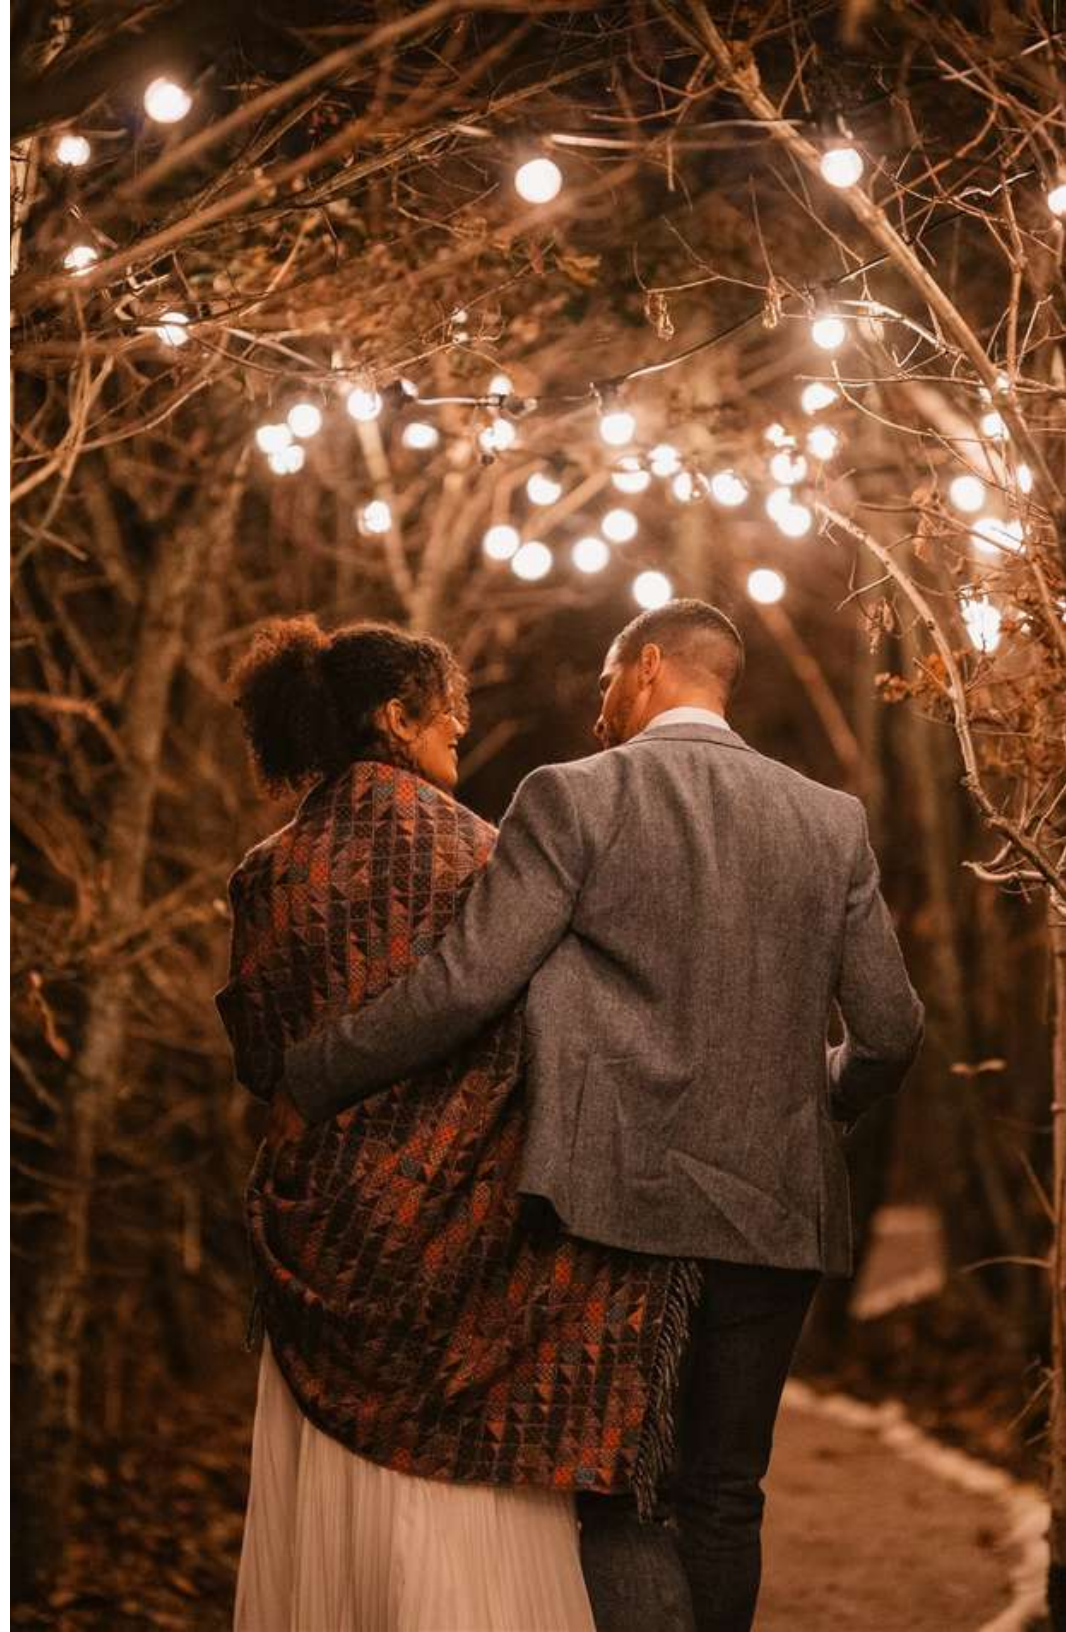

To ensure our guests are comfortable at all times, we have:

- Multiple fire pits throughout the venue
- Baskets of blankets dotted around the venue for guest use

We have heaters fitted inside the tipis, and regularly monitor the temperature. If it is cold we can put the heaters on, which do an amazing job of making it very toasty inside.

Likewise, if it is very hot we can open up the sides of the tipis to allow airflow throughout and keep you cool.

Please ensure you bring something warm for the end of the night when you leave the tipis. Unfortunately, you cannot take the blankets with you!

BAR

Forest Bar

A large, illuminated sign in a cursive script that reads "Forest Bar". The sign is set against a dark background with warm, glowing lights, possibly string lights, visible in the background.

# Forest Bar

## THE FOREST BAR

This is not your average wedding venue bar! We want everyone to have the best time so we have NORMAL prices at our bar.

Our menu has been set so you get high quality drinks and bespoke, handmade cocktails at great value. We want you to let your hair down and celebrate with your wedding couple.

And wait until you see the dance floor!

So that we can monitor guests safety, we do not allow external alcohol into the venue and reserve the right to remove any if found.

PLEASE NOTE: OUR BAR IS CARD ONLY, NO CASH WILL BE ACCEPTED

# ACCESSIBILITY

## ACCESS AROUND THE VENUE

When designing a wedding venue in the forest, we wanted to make it as accessible as possible to everyone.

For that reason, we have installed ramps around the whole venue. The gravel paths are also held in place by gravel grids to ensure they are firm enough for wheelchairs. The forest walk from the car park to the tipis is less than 100m.

Our toilets are fully accessible with baby changing facilities.

WE LOOK FORWARD  
TO MEETING YOU AND  
HOPE YOU ARE  
EXCITED!
