DRESSWEAR

DRESSWEAR AT ROYLE FOREST

WHAT TO WEAR

We know we are in the middle of a forest but Royle Forest is not your typical outdoor wedding venue! We aim to be the highest standard outdoor venue you can possibly find.

This means

- hard paths throughout
- Royle Forest umbrellas handed out for guests to use at the venue if forecast
- areas undercover across the venue

The paths are designed to be heel worthy throughout.

TEMPERATURE

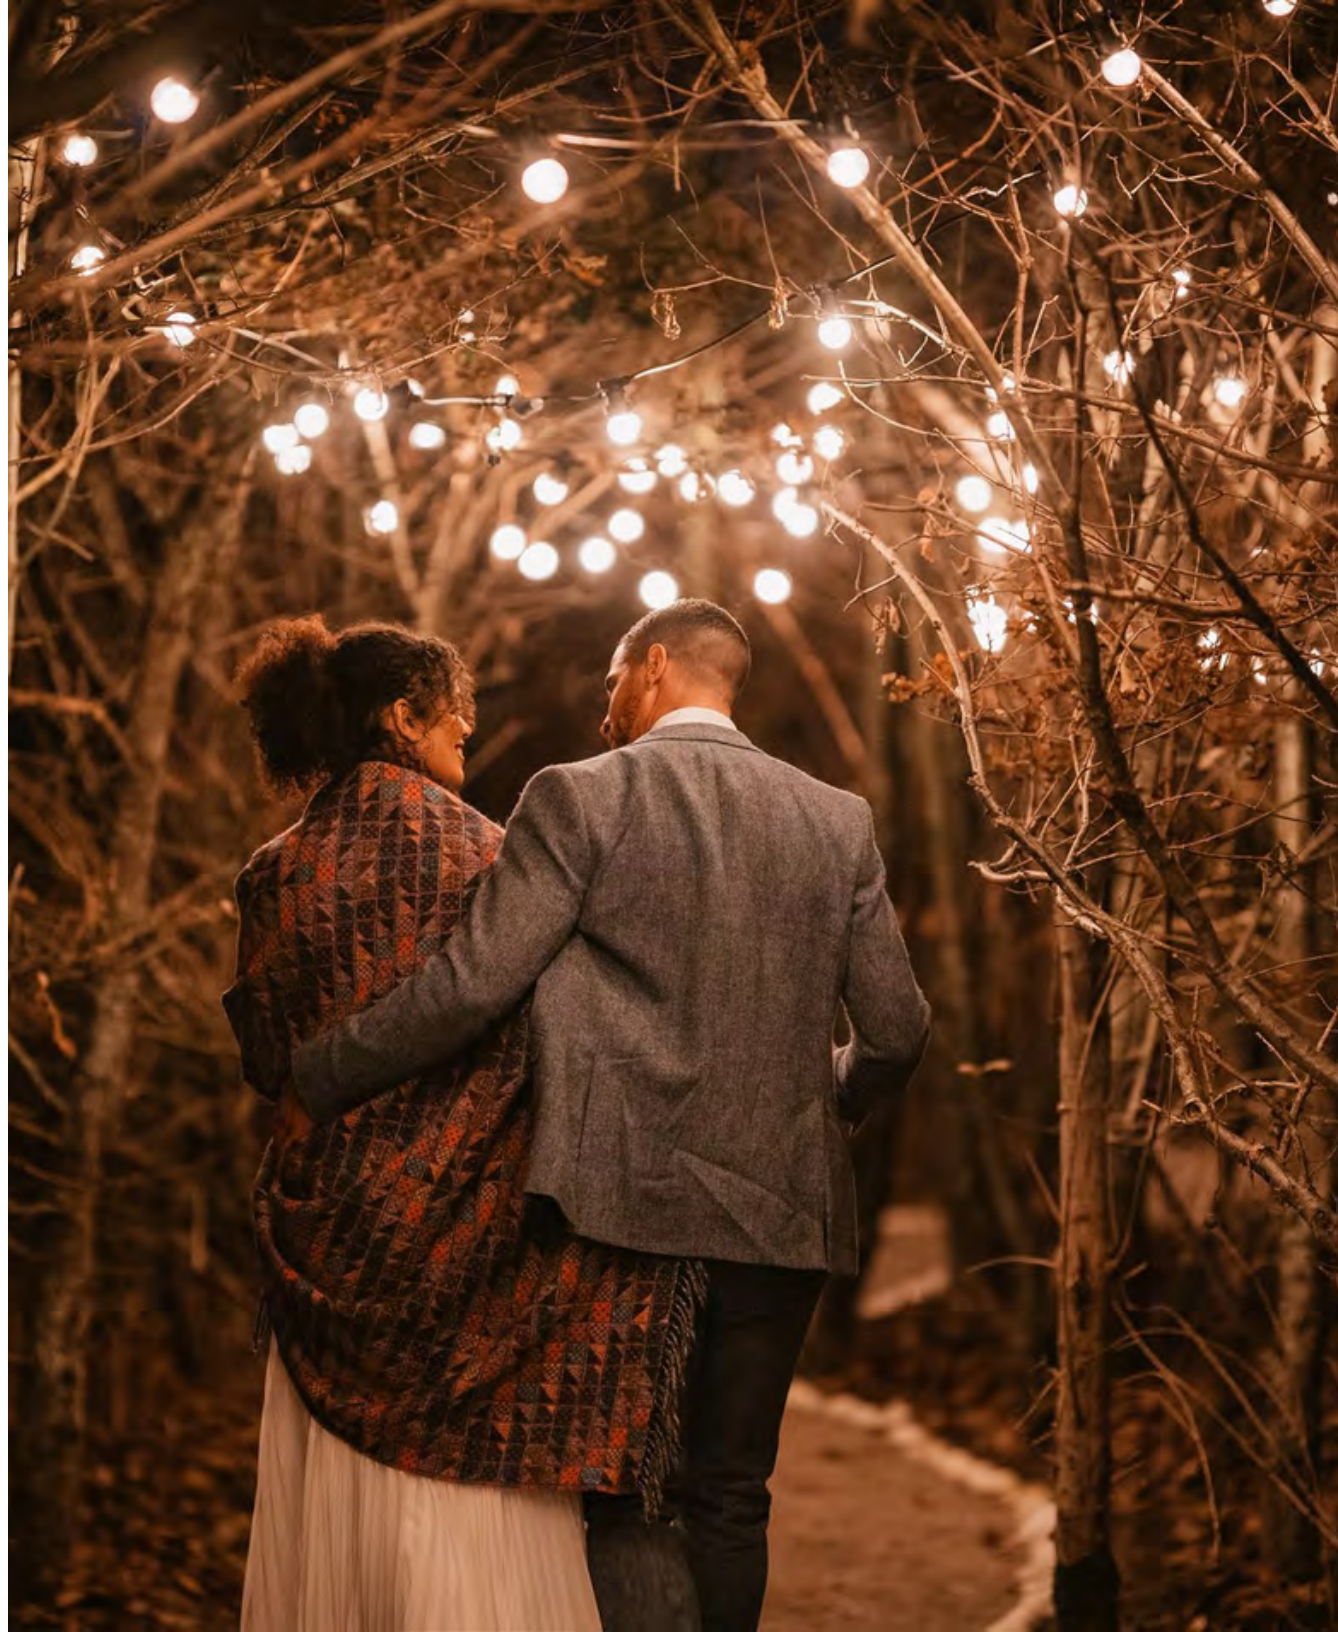

We only run from April to October so the temperature outside is agreeable at every wedding.

To ensure our guests are comfortable we have:

- multiple firepits throughout the venue
- baskets of blankets for guests to use dotted around the venue

We can also monitor temperature meaning if it is cold we can put the air heaters on inside the tipis, this does an amazing job of making it very toasty inside. Likewise, if it is very hot we can open up the sides of the tipi's to allow airflow throughout and keep you cool.

Please ensure you bring something warm for when you leave the tipis at the end of the night. Unfortunately you cannot take the blankets with you!

BAR

Forest Bar

THE FOREST BAR

This is not your average wedding bar. We want everyone who visits us to have the best time, therefore we do things differently at Royle Forest, meaning NORMAL prices on the bar! Our menu is priced so that you get quality drinks and bespoke handmade cocktails at good prices, this is to ensure you are ready to let your hair down and celebrate with our wedding couple.

And wait until you see the dancefloor!

PLEASE NOTE: CARD ONLY. CASHLESS BAR

So that we can monitor guests safety, we do not allow external alcohol into the venue and reserve the right to remove any if done so.

ACCESSIBILITY

ACCESS AROUND THE VENUE

When designing a wedding venue in the forest one of our main aims was to ensure it was useable by all. To that aim, we have installed ramps around the whole venue to ensure wheelchairs are accessible. The gravel paths are also held in place by gravel grids to be firm enough for wheelchairs.

At the couples request a disabled toilet is hired in, please ensure this is made known to the couple if required.

We can drive anyone that needs straight to the tipis as well. The forest walk from the car park is roughly 150m.

WE LOOK FORWARD TO
MEETING YOU AND HOPE
YOU ARE EXCITED
